SEC File No. 270-196, OMB Control No. 3235-0202

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) (“PRA”), the Securities and Exchange Commission (“Commission”) has submitted to the Office of Management and Budget (“OMB”) a request for approval of extension of the previously approved collection of information provided for in Rule 15c2-11, (17 CFR 240.15c2-11), under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*) (“Exchange Act”).

Rule 15c2-11 under the Exchange Act regulates the initiation or resumption of quotations in a quotation medium by a broker-dealer for over-the-counter (“OTC”) securities. The Rule was designed primarily to prevent certain manipulative and fraudulent trading schemes that had arisen in connection with the distribution and trading of unregistered securities issued by shell companies or other companies having outstanding but infrequently traded securities. Subject to certain exceptions, the Rule prohibits brokers-dealers from publishing a quotation for a security, or submitting a quotation for publication, in a quotation medium unless they have reviewed specified information concerning the security and the issuer.

Based on information provided by Financial Industry Regulatory Authority, Inc. (“FINRA”), in the 2013 calendar year, FINRA received approximately 1,009 applications from broker-dealers to initiate or resume publication of quotes of covered OTC securities on the OTC

Bulletin Board and/or OTC Link or other quotation mediums. We estimate that (i) 31% of the covered OTC securities were issued by reporting issuers, while the other 69% were issued by non-reporting issuers, and (ii) it will take a broker-dealer about 4 hours to review, record and retain the information pertaining to a reporting issuer, and about 8 hours to review, record and retain the information pertaining to a non-reporting issuer.

We therefore estimate that broker-dealers who initiate or resume publication of quotations for covered OTC securities of reporting issuers will require 1,236 hours ($1,009 \times 31\% \times 4$) to review, record and retain the information required by the Rule. We estimate that broker-dealers who initiate or resume publication of quotations for covered OTC securities of non-reporting issuers will require 5,600 hours ($1,009 \times 69\% \times 8$) to review, record and retain the information required by the Rule. Thus, we estimate the total annual burden hours for broker-dealers to initiate or resume publication of quotations of covered OTC securities to be 6,836 hours ($1,236 + 5,600$). The Commission believes that these 6,836 hours would be borne by internal staff working at a rate of \$53 per hour.¹

Subject to certain exceptions, the Rule prohibits brokers-dealers from publishing a quotation for a security, or submitting a quotation for publication, in a quotation medium unless they have reviewed specified information concerning the security and the issuer. The broker-dealer must also make the information reasonably available upon request to any person expressing an interest in a proposed transaction in the security with such broker or dealer. The collection of information that is submitted to FINRA for review and approval is currently not available to the public from FINRA.
